ACP Tuition Waiver Form

Fall 2009 deadline – October 1

Spring 2010 deadline – February 1

Students meeting ACP admissions standards who have been determined by their school corporation to be eligible for free or reduced lunch and who submit this completed form by the application deadline above will not be charged tuition for ACP courses. If you are requesting ACP tuition waiver you must fill out three applications: (1) an Application for Free or Reduced-priced Meals certifying eligibility must be on file with your school corporation by the dates above; (2) this completed form must be submitted to ACP by the dates above; and (3) a signed ACP student application must be returned to your high school. Students whose tuition waiver is denied by their corporation will be notified; students whose tuition waiver is approved will not be notified.
